

Welcome to the China Educators Application System

General Information

For most of our programs, the entire application process is online based. This means that you don't need to deal with much paper work until you have been matched up with a program partner. Program partners on our application system include **Edu Au Pairs**, **Host Families**, **English Teachers**, and **Education Institutes**. **Au Pairs from China**, who plan to go abroad, please apply on the **Au Pair Site**.

Your Profile & Data

The heart of our application system is your profile. This is where you provide us with all the details we need to know in order to help you find your perfect program partner. During your whole application process, we guarantee for the safety of your personal information. We only share certain parts of your data on our system in order to help you find your match. Of course we will never send you SPAM.

Get Started

Take the first step now and **register your account**. Registration just takes a few seconds and all you need is your name, your nationality and your eMail address. We recommend you to register your account right away, because as soon as you have registered, you can log in to the system, which gives you access to more specific information regarding your program and the according application process.
